- 3) ☐ Information Disclosure Statement(s) (PTO-1449) Paper No(s) _____
- 4) ☐ Interview Summary (PTO-413) Paper No(s). _____
- 5) ☐ Notice of Informal Patent Application (PTO-152)
- 6) ☐ Other:

1. The disclosure is objected to because of the following informalities: On page one, line 13, the word "possess" is misspelled. On page 2, line 22, "polyisocyanate" is written with a dash. On page 2, line 29, the word "anorganic" isn't understood. On page 4, line 21, the word "hybride" isn't understood, and in line 36, the word initially is broken with a dash. On page 9, line 29, the word "reaction" is written with a dashed line.

Appropriate correction is required.

2. Claims 3, 11 and 12 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 3, line one, the word "the" preceding "tertiary amine" should be "a" because the preceding claim doesn't have an antecedent basis for an oligomer or polymer.

Claim 11 is confusing because the preceding claim doesn't have any antecedent basis for "vinyllic monomers".

3. Claims 5, 6, 8 and 17 are objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Claims 5 and 6 are now broader than claim one because claim one is limited to alkyl acrylates. Claim 8 is now broader than claim one because claim one is limited to urethanes comprising carboxylic groups. Claim 17 is broader than claim one because "R" in claim one is limited to organic groups.

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
